

Dear Sir or Madame:

RE: Letter of appreciation to Almaghrib Institute

On behalf of the Board of Directors and Staff of Islamic Family and Social Services Association (IFSSA), I am thankful to all involved at the Almaghrib Institute for their efforts to collect and donate food items for our cliental in need. Insha'Allah, your charity will bring added satisfaction to those in need.

Prophet Muhammad *peace be upon him* said: "Charity to the poor is only charity, but charity to the rest of kind is charity and maintenance of relations (sillah)." *Narrated by Salman bin `Aamir*
