## The Well Wishes Project

**FACT: 1.5 billion people cannot reach clean water in the world.**

Although water is easily accessible to us, to many others it is more valuable than gold. Be a part of a sadaqa jariyah (continual charity) and donate your money during our seminar. Islamic Relief and Qabeelat Falaah students are teaming up to collect money to dig much needed wells for our Brothers and Sisters in Africa. Our goal is to collect a minimum of \$2000.

***Whosoever digs a well will receive reward for that from Allah on the Day of Judgment when anyone amongst jinn, men and birds drink from it .***
